

Pictures about Me and My World

Take pictures of your world (your neighborhood, city, home, things). Choose images that:

- Describe you, show what is important to you, show things you really like, show what you hope for.

Also, choose images that:

- Describe things that you would like to change or improve about you and about your community.

Describe what these pictures really say about you and your world. What thoughts and feelings do these pictures bring about? What do these pictures make you do?
